PRESS RELEASE

Orsu Metals Corporation

Statement of Claim Served

Orsu Metals Corporation ("Orsu", or the "Company") (AIM: OSU, TSX: OSU) announces that it has been served by Bernard Szuszkiewicz as a proposed representative plaintiff on behalf of persons who acquired securities of European Minerals Corporation ("EMC") during the period from May 16 2007 until March 31 2008 (collectively, the "Plaintiffs") with a Statement of Claim filed in the Ontario Superior Court of Justice.

The Plaintiffs are claiming general and special damages in the amount of CAD\$50,000,000 and punitive damages in the amount of CAD\$5,000,000. The Claim relates to the announcement by EMC on March 31, 2008 that it was reviewing its accounting for derivatives to ensure compliance with certain provisions of the CICA Handbook and that it anticipated that such review would result in a restatement of EMC's interim financial statements for the first three fiscal quarters of 2007.

The Company's directors have appointed legal council and are currently preparing their defence. The claim has not yet been certified as a class action and Orsu believes that the Claim is without merit and intends to vigorously dispute the Claim.
